

Kindergarten News

February 2012

2 - Liter Pop Bottle

Please have your child bring an empty 2-liter plastic pop bottle to school by Friday, Feb. 3.

The students will be using these for a Bible art project on Friday. Thanks!

Cereal Boxes

Please bring a cereal box to school by Friday, Feb. 3. We will be turning them into Valentine boxes for our Valentine exchange.

Valentine Exchange

On Wednesday, February 15, we will be having a Valentine Party and Valentine Exchange. Your child may bring 20 valentines to exchange.

If you want, you may have your child simply sign their name and not

address them. This makes distributing the valentines a much faster process. If your child wants to have them addressed, here is a list of the names: Braden, Miles, Blayne, Donovan, Ellie, Ashley, Kirsten, Maeva, Megan, Nico, Owen, Nathan, Maile, Kaase, Kaily, Summer, Denae, Haley, Mrs. Eekhoff, and Mrs. Feenstra.

New Glue

Some of the students are in need of a new glue stick, and others need new glue bottles.

Please ask your child if they are in need of any new supplies. Thanks!

Book Orders:

Thank you to those of you who have ordered books online through Scholastic. We receive \$3 in free books for our classroom for each order placed online. Remember, book orders can be placed online at: www.scholastic.com/bookclubs

When ordering for the first time, you will need our class activation code: GLMXB.

Junk Day

Ms. J has a jingle, jingle jacket. She bought her jacket at a "junk" sale. Ms. J loves junk! She will teach us that one person's junk is another person's treasure. On Friday, February 24, we will be having "Junk Day" in kindergarten. Please help your child pick out one small used toy, book, game, or whatever. Maybe it was a free item at one time. (For example, a Happy Meal toy.) We will display our "treasures" for a bit and then have a chance to choose another piece of "junk" to take home. This Junk Day will be for keeps, so please don't send something that you want back. Thanks!
