

# 2020 Junior High WOLFPACK Softball

(Girls currently in 7th & 8th grade)

It's that time of year again! The Junior High WOLFPACK Softball season is right around the corner and girls **CURRENTLY in 7th and 8th grade** have the opportunity to be a part of AAU Softball.

This is an opportunity for girls to learn the fundamentals of softball and to gain real-game experience through practices and games. Our goal is to teach basic skills, fundamentals of the game, develop teamwork, and most importantly Christian character through the great sport of softball!

We anticipate the season to run from mid-May through June. A schedule will be sent out after registrations are in. While school is still in session, school activities take priority. Practices will be held at the Western softball field.

**7th Grade:** Practice will begin mid-May and take place 2-3 times per week until games begin at the end of May. Once games have started, practice day will be on Monday. We participate in a league with other schools with most games taking place on Tuesday, Thursday, and Friday and begin at 12:00. The girls will have Wednesday off from both practice and games.

**8th Grade:** You will practice with the high school and that will begin May 4 when the high school can officially start. Practice will be everyday after school. Once school is out, practices will occur in the morning on days we don't have games. 8th graders will NOT practice Jr. High, but WILL play in all the games, usually at 10:30 every Tuesday, Thursday, and Friday. The 8th graders will also play all the Freshman games that Western is able to schedule.

Lauren Roose will again be coaching our Junior High program and will be assisted by Chandler Schemper.

Both Lauren and Chandler have a love for softball and are so excited to share their knowledge of the game with the girls!

We are excited to have them as part of the softball program here at Western!
