IN THE NEWS:

Paraprofessional Needed

Hull Christian School will be receiving one Ukrainian student in the next few weeks. We would like to hire a paraprofessional to support the student while bridging the potential language barrier, as well as other needs that may arise. This will begin as a full-time position, but may change as the needs change.

Nominations to Serve on the Hull Christian School Board

The Hull Christian School Board is looking for nominations of individuals to serve. If you know someone who would make a great board member to help carry out the mission of Hull Christian School, please contact a current board member or Mr. Ten Pas.

Give A Book

All I Want for Christmas is... BOOKS!

HCS library has a program called "Give a Book." If you give a \$10 donation to the library, your child/grandchild can pick a book from our "giving" basket to donate to the library! This is a great way for new books to be added to our library and the kids love seeing their names stickered on the inside. If you are interested in giving this holiday season, please contact the office! We greatly appreciate your generosity. 😊

Christian Schools International Accreditation Visit

HCS is accredited through Christian Schools International (CSI.) Every year there are standards that must be met and every five years a team comes for an on-site visit. It is our privilege to host the team on December 6, 7, and 8. Our School Improvement Team (SIT) has been working hard in preparation for their visit. They created a document called the School Improvement Plan that details what we feel are our strengths and weaknesses. The CSI team will be visiting classrooms, interviewing parents, students, employees, SIT and the board members to verify our School Improvement Plan. After their visit, they will submit commendations and recommendations regarding how we can continue to improve at Hull Christian.
