IN THE NEWS:

January 16 and President's Day

HCS will be going to school THE ENTIRE DAY on January 16 and President's Day (February 20) to compensate for the hours missed for snow days.

PK – 1st Grade Program

On January 24 at 7:00pm the HCS Preschool, Kindergarten and 1st grade students will be performing music selections from "Hide 'Em in Your Heart." The lyrics come directly from the Bible which allows the students to memorize scripture so they can have them in their minds and on their hearts! Some songs include, "Do to Others," "Your Word is a Lamp," and "Keep Your Tongue from Evil."

FastBridge Testing

Students will be completing the winter FastBridge testing January 11-20. This is a screener we do three times a year (fall, winter, and spring) to see if students are meeting grade-level benchmarks in reading and math. Teachers will be in contact with you about your child's results.

Thank You from Promise Community Health Center

Thank you so much for your generosity this past holiday season. There truly are a lot of needs in our area and we are deeply grateful you've partnered with us to bless several families in our community. It's always so fun getting to deliver and seeing the smiles of these families. I hope you believe me when I tell you how much you've impacted these families. They're people I've gotten to know pretty well and I know they would want me to thank you for all the gifts. Thank you so much! ~ Promise CHC

Christmas Tree Contest at Oak Grove

The 3rd, 4th, and 5th grades took part in the Sioux County Conservation Foundation (SCCF) Christmas tree decorating contest again this year! The theme this year was to create Christmas tree decorations using popsicle sticks. The 3rd-5th graders chose a variety of decorations from Christmas trees and snowflakes to reindeer and penguins. The tree was then set up at Prairie Woods Nature Center in Oak Grove from November 26-January 7. **The tree from Hull Christian School won first place for Outstanding Use!** That is the award given to the tree with the highest number of votes for best use of the popsicle sticks in a blind vote cast by SCCF friends members. The prize is a pizza party and Outstanding Use first place plaque for the school and sponsor. A huge thanks to the sponsor Verhoef Custom Woodworking!
