NICSTO Update

This year our goal is to collect \$143,594. We are only \$13,000 short of that goal. If you or someone you know would like to help out HCS AND receive a 65% direct tax credit for their contribution please have them contact school as soon as possible.

Paraprofessional Needed

Hull Christian School will be receiving one Ukrainian student in the next few weeks. We would like to hire a paraprofessional to support the student while bridging the potential language barrier, as well as other needs that may arise. This will begin as a full-time position, but may change as the needs change.

Christian Schools International Accreditation Visit

HCS is accredited through Christian Schools International (CSI.) Every year there are standards that must be met and every five years a team comes for an on-site visit. It is our privilege to host the team on December 6, 7, and 8. Our School Improvement Team (SIT) has been working hard in preparation for their visit. They created a document called the School Improvement Plan that details what we feel are our strengths and weaknesses. The CSI team will be visiting classrooms, interviewing parents, students, employees, SIT and the board members to verify our School Improvement Plan. After their visit, they will submit commendations and recommendations regarding how we can continue to improve at Hull Christian.
