

# COVID-19 Criteria for Staff/Student Exclusion

## Exposure means

Within 6 feet for more than 15 minutes to a person who tested positive for COVID-19 while they were infectious. A person is infectious 48 hours before their symptoms start (or before test date if asymptomatic) and until isolation is complete.

## Symptoms

High Risk Symptoms:

- New or change in cough
- Shortness of breath or difficulty breathing
- New loss of taste or smell

Low Risk Symptoms:

- Fever or chills
- Headache
- Nausea or vomiting
- Diarrhea
- Muscle aches
- Sore throat
- Fatigue
- Congestion or runny nose

Students or staff with any high risk or 2 or more low risk symptoms should stay home and are advised to seek an evaluation by a healthcare provider.
