Knighly News

The mission of Hull Christian School is to educate covenant children in the light of God's Word, preparing them for a life of Christian discipleship, responsible stewardship, and humble service in His kingdom.

**Celebrating Our Dedicated Staff**

At Hull Christian School, we're proud to celebrate two wonderful staff members who have reached meaningful milestones in their time with us. This year, we honor Mindy Baccam for 15 years of service and Mrs. Heidi Bosler for 5 years of dedication to our school community. These individuals play important roles in the lives of our students—from the youngest learners to our oldest—and we are truly grateful for all they do!

Mindy Baccam began her journey at HCS in 2010 as an assistant cook, working alongside our head cook, Gwen Van Voorst. In January 2014, Gwen had to step away for an extended period due to her daughter's serious accident. Mindy stepped in to fill the role of head cook and officially accepted the position the following school year. Over the years, Mindy has worn a few different "hats" at HCS. In addition to leading the kitchen, she served as our athletic director for several years. This year, she and her husband Sou took on the role of school custodians. Mindy's cheerful spirit and easy-going personality make her a joy to work. Her presence has been a steady blessing throughout her 15 years of service.

Mrs. Heidi Bosler began her career at HCS as "Miss Heidi." Though she got married this past year, many of our students still lovingly call her by that name. As our preschool teacher, she brings warmth and joy to the youngest members of our school family. For the past five years, her cheerful "good morning" or "good afternoon" has brightened the day for students and staff alike.

We are truly blessed by the presence of both Mindy and Heidi at Hull Christian. Their commitment, kindness, and care have made a lasting difference in our school and in the lives of every student they serve.

8th Graders “Rooted in Christ” Through Community Serve Project

This month, our 8th grade students put their faith into action with a special **Serve Project** designed to support new residents in our community. Inspired by our school's theme, *Rooted in Christ*, the students came up with the idea to plant trees for families who recently moved to Hull from Rock Valley after the devastating flood. The project wasn't just symbolic—it was practical, heartfelt, and student-led. With some help from Mr. Stroeh, the students organized a Tip Night at the Pizza Ranch to raise funds for the trees, and then spent time planting them in the yards of those affected. Each tree represented a step toward healing, stability, and new beginnings—helping these families put down roots in their new community. The students loved working together, serving others, and especially getting to know the new families they were helping. We're incredibly proud of our 8th graders for seeing a need, coming up with a creative solution, and living out what it means to be truly rooted in Christ.
