Meet Our School Family

We're excited to start something new this year! Each month, we'll be featuring our awesome staff and faculty members so you can get to know the people who help make our school such a great place.

From teachers and aides to cooks and custodians, everyone plays an important role in our school family. Watch for fun facts, favorite hobbies, and maybe even a few surprises about the familiar faces you see every day!

We're excited to kick off our staff features with our principal,
Mr. Randy Ten Pas!

Randy and his wife, Kristi (who also serves as our resource teacher), have three daughters: Breanna, a first-year music teacher at Oskaloosa Christian School; Trista, a junior at Dordt; and Miranda, a senior at Western.

As principal, Randy loves working with a wide variety of people - students, teachers, staff, parents, and board members. He says one of the best parts of his job is being able to connect with so many different members of the HCS community each day.

When he's not at school, you might find Randy spending time with his family, out on a motorcycle ride, exercising, or cheering on his favorite Wisconsin sports teams. He also admits he has a sweet tooth—most desserts top his list of favorite foods!

A verse that inspires him is Joshua 1:9: "Be strong and

“Give a Book”

The “Give a Book” program is a special part of our HCS Library. If you would like to honor a child, grandchild, or special friend on their birthday or “just because” please send/bring \$10 per child to HCS. The student will choose a book from Mrs. De Jager’s basket and the book will become a new addition to the HCS Library collection. A nameplate will be attached inside the front cover stating the child’s name and date. It is fun for each child to take ownership of this book and even years later point it out to family and friends when they visit our library! Donations will be listed in the Knightly News. Join the fun and help our library add books to the collection! If you have any questions, call Mrs. De Jager.

Asbestos Information

In compliance with regulation of the Asbestos Hazard Emergency Response Act (AHERA) and Environmental Protection Agency (EPA), in the summer of 2025 we performed inspections of our school building for asbestos-containing building materials. The finding of the inspection and asbestos plans are on file in the school office for your review.
