Rooted in Christ

"But when the kindness and love of God our Savior appeared, he saved us, not because of righteous things we had done, but because of his mercy. He saved us through the washing of rebirth and renewal by the Holy Spirit, whom he poured out on us generously through Jesus Christ our Savior, so that, having been justified by his grace, we might become heirs having the hope of eternal life." Titus 3:4-7

Construction News and Safety

We are excited to share that construction on our new addition will be starting soon! As work begins, you will notice increased traffic on 5th Street. Construction equipment will be entering the school property from 5th Street, and a portion of the sidewalk will be blocked so equipment can safely access the construction site. As a result of construction activity and additional vehicles parked near the site, parking along this section of 5th Street will be limited for student pick-up.

Once construction begins, we will adjust our dismissal times slightly to help with traffic flow and student safety. All bus students will be dismissed at 3:22 p.m., and the remaining students will be dismissed at 3:25 p.m. This staggered dismissal will allow more families to use the church parking lot and will provide students with a safer walk through the parking lot area.

We will continue to monitor the crosswalk to help ensure student safety if families need to park in other areas. If your child walks to school, please take a moment to talk with them about the changes and consider using an alternate route if needed. Thank you for your patience and support as we begin this exciting project!

Beef and Pork Donations

We are looking for Beef and Pork donations for the Rally Day sale this fall. If you have an animal that you are willing to donate, please contact Krista Van Der Brink at 712-470-5734. August 17 & 18 for Beef and August 4 Hogs are the locker date we have.

You're Invited! Eighth Grade Day - Thursday, April 9
