Chapel News: Jesus, the Great I AM

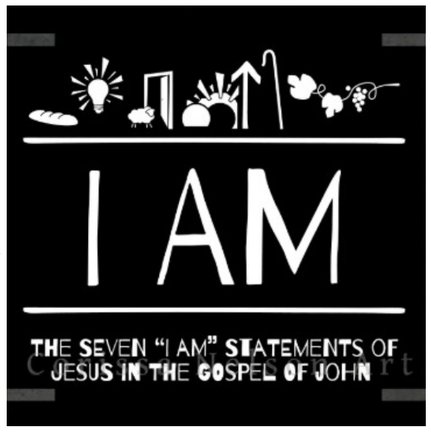

October was all about learning that **Jesus is the Bread of Life!** Throughout the month, our students were reminded that while an after-school snack might hold them over for a little while (until they're hungry again!), only Jesus can truly satisfy our hearts.

Our second graders did a wonderful job bringing this lesson to life through a readers' theater, and Pastor Matt Haan helped make the message extra memorable by bringing real bread to chapel. During Peer Groups, students talked about what truly satisfies us, enjoyed activities together, and spent time in God's Word. We also loved hearing our students lift their voices in praise during All-School Sing!

To finish the month, our second graders visited Aspen Heights, where they teamed up with residents to make pumpkin crafts. It was a sweet opportunity to share smiles, get creative, and show Christ's love to others.

We're thankful for these special moments when our students can learn about Jesus, grow together in faith, and put what they're learning into action!

Coming in November: We'll discover what it means that Jesus is *The Door for the Sheep!*

Knights Monthly News

The mission of Hull Christian School is to educate covenant children in the light of God's Word, preparing them for a life of Christian discipleship, responsible stewardship, and humble service in His kingdom.

Perspective: What Matters Most? Written by Mr. Ten Pas

I have been an avid Wisconsin sports fan my entire life. I have experienced the ups and downs of cheering for the Green Bay Packers, Milwaukee Bucks, Wisconsin Badgers, and Milwaukee Brewers. As I write this article, the Milwaukee Brewers are playing in the World Series. It has been exciting to watch them battle back in so many games and demonstrate their fighting spirit. Sports can teach valuable lessons to both students and adults. Hard work, dedication, and teamwork are all important in achieving goals. As exciting as it has been to watch the Brewers compete in the World Series, their journey has also given me an opportunity to reflect on my own perspective. How much time and value do I place on something that brings temporary excitement compared to something that has lasting value and eternal significance?

The wins and losses of the teams I cheer for do not compare to the importance of my relationship with God. The accomplishment of reaching the World Series will eventually fade, but my relationship with God has eternal value. This is the perspective I need to carry with me each day, keeping my focus on what truly matters for eternity.

At Hull Christian School, we are committed to providing each student with a Christian education. We want our students to understand how God's truth influences every subject they study and to see the world through the lens of the Bible. We also want to see each student's personal relationship with God grow and flourish. We desire for our students to develop a personal faith in Jesus Christ and understand how that faith effects every area of their lives. Our hope is that they will develop a perspective that keeps God at the center of their lives. We want our students to understand that the greatest victory is not found on the baseball field, but in the blood of Jesus and in living each day walking next to him.

Give A Book
The "Give a Book" program is a special part of our HCS Library. If you would like to honor a child, grandchild, or special friend on their birthday or "just because" please send/bring $10 per child to HCS. The student will choose a book from Mrs. De Jager's basket and the book will become a new addition to the HCS Library collection. A nameplate will be attached inside the front cover stating the child's name and date. It is fun for each child to take ownership of this book and even years later point it out to family and friends when they visit our library! Donations will be listed in the Knightly News. Join the fun and help our library add books to the collection! If you have any questions, call Mrs. De Jager.
