

Little Blessings Preschool
POLICY
Handbook

Welcome to Little Blessings Preschool. We believe that each child learns in a unique way. We use our classroom and materials to teach each child at their own level and the best way the child knows how to learn – through play.

Location – Little Blessings Preschool is located at Hull Christian School. The address is 1301 5th St. Hull, IA 51239. The office phone number is 712-439-2273. Our school website can be found at www.hullchristian.com. Our Facebook page is <https://www.facebook.com/LBPreschool?fref=ts>

Class Size – As required by the State of Iowa, class sizes will be no larger than 20 students/session.

Schedule/Calendar – Classes will meet Monday, Tuesday, Thursday, and Friday from 8:25 AM – 11:30 AM and 12:25 PM – 3:25 PM. A calendar will be established for preschool each year that is part of the master calendar of Hull Christian. A weekly schedule of events is sent home each week.

Licensing – Little Blessings Preschool operates under the authority of the Hull Christian School Board and this Board’s Education Committee. Our preschool adheres to the guidelines established by the state of Iowa and the statewide Voluntary Preschool Program.

Staff – The Hull Christian Principal is responsible for the day to day operations of the school, for maintaining licensing and accreditation standards, for the staff supervision, educational advisor, and provides support for teaching staff.

Our Lead teacher is certified and licensed by the State of Iowa. Our staff to child ratio is two to a maximum of 20 children per class. Our preschool staff

participated in on-going training and education in child development, curriculum, teaching methods, technology, and also is required to hold a license for CPR, First Aid, Mandatory Reporter, and Blood Borne Pathogens.

Our Mission – The goal of Little Blessings Preschool is to provide a loving and secure environment where children can develop socially, emotionally, physically, intellectually, and spiritually and experience joy in learning through play-based instruction with developmentally appropriate hands-on activities with the guidance on the Creative Curriculum.

Our Philosophy – Little Blessings Preschool hopes to provide a stimulating and enriching experience for each child. Children at this age are learning all the time and they learn best by being active and involved. By using developmentally appropriate activities, with the help of Creative Curriculum, we will attempt to meet each child's emotional, mental, social, physical, and spiritual needs in a caring and loving classroom environment. By creating purposeful and productive play experiences we will assist parents in nurturing their children, so a love of learning will take root in each unique child.

Statement of Nondiscrimination – It is the policy of Hull Christian School not to discriminate on the grounds of race, color, national origin, or sex in its educational policies. Hull Christian School shall provide program activities, curriculum, and instructional resources that will reflect the racial and cultural diversity present in the United States and the variety of careers and roles open to both men and women in our society. One objective of our school's programs, curriculum, services and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of gender, race, ethnicity, religion, age, marital status, and disability. The curriculum, programs and

services shall foster awareness of the right, duties and responsibilities of each individual as a member of a pluralistic society

Curriculum

1. Little Blessings Preschool follows the research based Creative Curriculum series. Teachers plan the learning around the interests of the students by using studies and projects. The teacher follows the GOLD goals and objectives to plan out lessons based on areas of the students not in the widely held expectations.
2. All of the teachers involved with Little Blessings Preschool have taken – or will be required to take upon hire – Creative Curriculum and GOLD trainings. The teachers have a good understanding of the goals and objectives and apply them to the lessons each preschool day.
3. Creative Curriculum is implemented in the classroom. Studies and projects are used based on children’s interests. Each activity is based on a goal or objective from the Creative Curriculum goals and objectives

Assessment

1. General Assessment Goals
 - a. Children will be assessed using Creative Curriculum GOLD> The teacher will enter all the notes. The teacher and para will take observational notes in the classroom and outdoors.
 - b. The teacher will have the GOLD checkpoints finished by the Checkpoint dates assigned by Teaching Strategies.
 - c. Each child’s record will be kept confidential and stored in the school office in the filing cabinet under lock and key. Student records at Hull Christian School will keep both a permanent record and a cumulative record for each students. The cumulative record shall be kept on file until the student leaves this school. The permanent record shall be kept on files in a fire

safe place. These records will be kept confidential; open only to viewing by parents, legal guardian, record custodian, school staff, school support personnel, and any other person covered in the "Family Education Rights and Privacy Act of 1974" and the Iowa Code "Chapter 22". Any other person who wishes to view these records must obtain written parental permission. The records of students will be available for viewing when a valid request is made to the Board of Education. The Board will set up a viewing at a time that is convenient for both those who request such a viewing and the school staff. If the staff desires, a member of the Board will be present at the viewing. Records to be transferred to another school will be done upon reception of a request for transferal.

- d. Families are involved in assessing the child through home visits and interest surveys. Parents attend parent/teacher conferences twice a year and can share suggestions at that time with the teacher as well as throughout the year by phone call or e-mail.
- e. Communicate assessments to families will be done formally at parent teacher conferences as scheduled in the school calendar. The teacher will be available for conferences at other times as requested by the parent or teacher.

2. Purposes of Assessment

- a. The teacher will arrange for developmental screenings with the AEA when indicated on GOLD.
- b. The teacher will identify the interests and needs of the children in her classroom. She can do this by observation and asking questions of the students.
- c. The teacher will look at the GOLD data and improve curriculum in the classroom by adapting her teaching and the environment to meet the needs of the students.
- d. The teacher will be able to describe the developmental progress children make at various developmental levels.

- e. The teacher will continue to plan improvements for the preschool program. The teacher can use educational resources online as well as advice from the AEA.
- f. The teacher will communicate with families through face to face interaction at arrival and drop off times as well as e-mails and newsletters. The teacher will update the Little Blessings Preschool Facebook page. If a parent e-mails the teacher, she will respond in a timely manner.

3. Assessment Methods

- a. Little Blessings Preschool offers a variety of assessment methods to assess children in the program. The assessments are sensitive to different family cultures and home languages and experiences as well as the children’s different abilities. The assessments take place during the school day in the classroom or outdoors or on field trips as well. Every part of the day is a time that assessment can take place – even transitions.
- b. Standardized and norm-referenced tests are used when a teacher suspects a disability in a child. The teacher gets in a contact with AEA and together they assess the child along with the parents in a setting that is familiar to the student.
- c. Assessment Form

4. Parent Participation

- a. At Little Blessings Preschool, we recognize the importance of the home and school relationship. We encourage parent participation both within the classroom and in special events.
- b. SPECIAL EVENTS – Parents are encouraged to participate in special events, some of which are during class time, and others are evening events. Some of these include the beginning of the year Open House, School wide Programs, Rally Day Sale, Spring Open House, field trips, and the end of the year Preschool Celebration. Notification of these events will be sent home on monthly calendars, weekly preschool sheets, e-mail, and posted on our website.
- c. Parent/School Communication – Communication between parents and staff is a vital part of how well your child does in school. We encourage you to be involved in your child's education and meet with our preschool staff regularly. We will

do our best to keep you informed of the activities and projects that your child is involved in. A weekly Hull Christian Home Bulletin will be given to your child each week, usually on Friday. A monthly calendar of events will also be sent home, and announcements will be on the school website and e-mailed. Also check out our Facebook page with pictures and updates.

- d. Parent/Teacher Conferences – Conferences are scheduled during the first two weeks of November. Spring Conferences are usually the last week in March. Additional conference time is welcomed at any time to discuss your child’s progress. Conferences include a discussion with the teacher, a review of your child’s portfolio, and a copy of the “Child Progress and Planning Report”.
- e. Assessment is an important part of preschool! The teachers take notes about your child each day at preschool during all parts of the day. These anecdotal notes are entered into the Creative Curriculum GOLD on-line and are then scored. This shows the teachers and parents at what level the child is at. Teachers look at the data and plan the instruction for the coming days from the results they read on the GOLD assessment. Pictures and videos can also be used for assessment as well as check lists. As a parent/teacher team, we can work together to help your child learn the best. Some information will be gathered at the home visit and some information will be filled out by parents on the registration forms. A sheet of goals will be sent home and filled out by the parents so they can have input as to what they want their child to learn. The GOLD assessment will be completed 3 times a year and results will be shared with parents. Observations for the GOLD assessment occur every day in preschool. Parent/Teacher Conferences will be held formally twice a year with other meetings scheduled as needed. If

parents would like to see the GOLD notes, they may ask to see them at any time throughout the year.

New Teacher Orientation – New Teachers will go over:

1. The program philosophy and mission statement, value and goals.
2. Expectations for ethical conduct.
3. Health, safety, and emergency procedures.
4. Individual needs of students that will be in their care.
5. Accepted guidance and classroom management techniques.
6. Daily activities and routines of the program.
7. Child abuse and neglect reporting procedures.
8. Iowa Quality Preschool Program Standards and Criteria.
9. Regulatory requirements.

Follow up training will occur after the initial orientation. Staff will be evaluated annually by the principal of Hull Christian School.
